

Statement of Sources and Uses of Funds For the Seven Months Ended April 30, 2014

The attached "Statement of Sources and Uses of Funds" statement is provided for your review. This financial statement provides summary-level revenues (i.e., sources) and expenditures by program (i.e., uses). **This unaudited financial statement is provided as of April 30, 2014, with 58.3 percent of the fiscal year completed.**

This financial statement compares revenues recognized and encumbrances/expenditures made against the District's FY2013-14 available budget of \$353.5 million. Encumbrances represent orders for goods and services which have not yet been received.

Revenues (Sources) Status:

- Overall, as of April 30, 2014, 90 percent of the District's budgeted revenues/balances have been recognized.
- As of April 30, 2014, the District has received \$96,038,872 of ad valorem tax revenue representing 95 percent of the budget. This is in-line with the seven month prior year collection rates of 94 percent for FY2012-13 and 93 percent for FY2011-12. The budget represents 96 percent of the tax levy based on the historical collection rate.
- Intergovernmental Revenues are recognized at the time related expenditures are incurred. For FY2013-14, \$2,508,298 in revenues has been recognized, representing 8 percent of the budget. From year to year, the budgeted amount of intergovernmental revenue compared to the recognized amount can fluctuate for various reasons; projects can be in the planning stages and have not incurred a significant amount of expenditures, or anticipated projects may be canceled (e.g., cooperative funding projects).
- The FY2013-14 interest earnings budget was based on a 0.75 percent expected rate of return. The District's investment portfolio at April 30, 2014, is earning a weighted average yield of 0.50 percent. For the Seven Months ended April 30, 2014, the District has earned 0.54 percent yield on its investments. Interest earnings on invested funds in the amount of \$1,683,797, have been recognized representing 46 percent of the budget.
- License and Permit Fees consist of revenue from water use permits, environmental resource permits, water well construction permits, and water well construction licenses. Revenue recognized represents 50 percent of the budget as of April 30, 2014.
- As of April 30, 2014, other revenue earned is 59 percent of the budget. Each year, items that fall within the "Other" revenue category are budgeted conservatively due to the uncertainty of the amounts to be collected. For example, revenues from timber sales, hog hunts, insurance recoveries and the sale of assets can vary significantly from year to year.
- Fund Balance consists of balance from prior years (budgeted for the current year) plus fund balance associated with the ad valorem funded encumbrances that rolled into the current year.

Expenditures (Uses) Status:

Overall, as of April 30, 2014, the District had obligated 73 percent of its total budget.

Summary of Expenditures by Program

This financial statement illustrates the effort to date for each of the District's six statutory program areas (Section 373.536(5)(e)4, Florida Statutes). A discussion of the expenditures by program follows.

- The **Water Resource Planning and Monitoring Program** includes all water management planning, including water supply planning, development of minimum flows and levels, and other water resources planning; research, data collection, analysis, and monitoring; and technical assistance (including local and regional plan and program review). Of the \$46.7 million budgeted for this program, the District has obligated 67 percent of the budget (26 percent expended and 41 percent encumbered).
- The **Land Acquisition, Restoration and Public Works Program** includes the development and construction of all capital projects (except for those contained in the Operation and Maintenance of Works and Lands Program), including water resource development projects/water supply development assistance, water control projects, and support and administrative facilities construction, land acquisition (i.e., Florida Forever program), and the restoration of lands and water bodies. Of the \$246.3 million budgeted for this program, the District has obligated 77 percent of the budget (8 percent expended and 69 percent encumbered).
- The **Operation and Maintenance of Works and Lands Program** includes all operation and maintenance of facilities, flood control and water conservation structures, lands, and other works authorized by Chapter 373, Florida Statutes. Of the \$19 million budgeted for this program, the District has obligated 60 percent of the budget (42 percent expended and 18 percent encumbered).
- The **Regulation Program** includes water use permitting, water well construction permitting, water well contractor licensing, environmental resource and surface water management permitting, permit administration, compliance and enforcement, and any delegated regulatory program. Of the \$23.4 million budgeted for this program, the District has obligated 58 percent of the budget (42 percent expended and 16 percent encumbered).
- The **Outreach Program** includes all environmental education activities, such as water conservation campaigns and water resources education; public information activities; all lobbying activities relating to local, regional, state, and federal governmental affairs; and all public relations activities and advertising in any media. Of the \$3.0 million budgeted for this program, the District has obligated 55 percent of the budget (28 percent expended and 27 percent encumbered).

- The **Management and Administration Program** includes executive management, executive support, governing board support, ombudsman, general counsel, inspector general, administrative support (general), procurement, finance, human resources, and risk management. Of the \$15 million budgeted for this program, the District has obligated 63 percent of the budget (53 percent expended and 10 percent encumbered).

Based on the financial activities for the Seven Months ended April 30, 2014, the financial condition of the District is positive and budget variances are as expected. There are no reported or identified major trends, conditions or variances that warrant additional management attention.
